

ASSESSMENT AND MONITORING OF ICT Blanks

ASSESSING WORK

For each piece of work:

- Look at the piece and read any teacher comment accompanying the work.
- Decide which of the four strands the work covers (Communicating, Finding things out, Modelling, Control & Measurement).
- Use the Annotation Sheets to decide the level.
- Comment on what other information you would need to make a secure judgement.

<p>Number of the piece of work reviewed</p>	<p>Which strand(s)?</p> <p>What level?</p> <p>Any further comments to support decision:</p>
<p>Number of the piece of work reviewed</p>	<p>Which strand(s)?</p> <p>What level?</p> <p>Any further comments to support decision:</p>
<p>Number of the piece of work reviewed</p>	<p>Which strand(s)?</p> <p>What level?</p> <p>Any further comments to support decision:</p>
<p>Number of the piece of work reviewed</p>	<p>Which strand(s)?</p> <p>What level?</p> <p>Any further comments to support decision:</p> <p>.</p>
<p>Number of the piece of work reviewed</p>	<p>Which strand(s)?</p> <p>What level?</p> <p>Any further comments to support decision:</p>

<p>Number of the piece of work reviewed</p>	<p>Which strand(s)?</p> <p>What level?</p> <p>Any further comments to support decision:</p>
<p>Number of the piece of work reviewed</p>	<p>Which strand(s)?</p> <p>What level?</p> <p>Any further comments to support decision:</p>
<p>Number of the piece of work reviewed</p>	<p>Which strand(s)?</p> <p>What level?</p> <p>Any further comments to support decision:</p>
